Worship Spot

We have been thinking more widely about spirituality this term and finding ways to take a moment and reflect.

Follow this link if you'd like to try out a relaxation breathing technique at home...

An amazing action shot of some of Willow trying out Handball!

Our learning this term...

We have a fantastic term of learning coming up...

- Finding out about the world with a focus on the North Pole in Buttercups
- Oceans and sustainability in Poppy
- Examining the similarities of places near and far away in Willow
- Exploring rights and responsibilities by learning more about America in Oakwood.

Please find attached details of each class's Curriculum of Hope.

You will have an opportunity to see what this learning looks like at **our Open Afternoon on Friday 3rd February**. Classes will be open from 2.30 so that your children can show you what they have been up to.

If you have any experience or knowledge that you think could contribute to these learning experiences—please get in touch!

Keeping Safe -Contact Details

Please, please check we have the correct contact details for you!

Mrs Reynolds sent out the contact details form on Monday. If you did not receive this please pop into the office to let her know.

This way we can quickly get in touch if your child is unwell or if there are important messages.

Friends of Twineham School News

FOTS Meeting. TONIGHT! Thursday 17th January 7.00pm. Our next meeting will be at Becca's house on Twineham Lane and everyone is very welcome! Not only will there be wine (!) but also internet so people can join on zoom should that be more convenient. There is much to discuss! Address: Lanehurst, Twineham Lane BN6 9JP. Fots@mail.com

Young Entrepreneur. I hope you've had a fantastic week of thinking about entrepreneurial ideas in your household....! **Your proposal form has to be handed to the office by 8.45am on Friday**. The £5 loan - or FOTS investment - will be handed out at the end of the day. Mrs Cotton will review the submissions over the weekend and present a plan for selling / offering your services on Monday. So hold off on your selling plans until you know when your 'slot' will be.

The critical thing is, the business may ONLY spend £5 at the start on making whatever it is you plan to sell. Even if you have flour and sugar at home for example, the cost of these need to be factored into the £5 total expenditure at the start to make those biscuits.

This project gives us an opportunity to learn about the real cost of things, and it is important we all start with a level playing field. The proposal could be to offer a service where you might not need any initial investment to make it work. Remember there are prizes for most creative idea, and best business plan, as well as most profit. Good luck!!

Cake Sale. Friday 10th February. To send us on our way for half term we are planning a cake sale but with an unusual twist..... No baking necessary! More details to follow.

Healthy Eating

We encourage all children to have a balanced, healthy diet. Please support this by bringing in healthy snacks and lunch-boxes.

Please remember:

NO nuts (including in Nutella, Pesto etc)

NO sweets

NO chocolate

Water only (not squash or juice)

LESS packaging also helps to reduce our environmental footprint and keeps our school tidy.

For useful lunchbox ideas see: <https://www.nhs.uk/healthier-families/recipes/healthier-lunchboxes/>

Every child is a gift and every child is gifted

This Week's Celebrations...

On Thursdays, we celebrate children who have been doing some great learning, showing amazing behaviour for learning or living out our school values. This week we have focussed on nurture.

Thursday 19th January

Buttercups: Noelle

Poppy: Ollie and Boden

Willow: James and Joseph

Oakwood: The Sports Crew: Lonnie, Ludo, Caspar, Samson and Alex

A big well done to all those who participated in the NEARs Handball and Yoga events too—you did Twineham proud!

A couple of Oakwood had a great time at a Yoga NEARs enrichment event this week!
