Dear Parents,

Today we enjoyed a fabulous Key Stage 1 assembly from Reverend James exploring this month's theme of 'trust'. Reverend James brought his delightful dog Sammy with him to talk about how they came to trust each other over time after Sammy was rescued from a centre.

Church Lane

Good news and bad news! The bad news is that I received **three separate reports this week of people nearly being hit by a vehicle**. In one case a child and parent were narrowly missed by a large four-wheel drive vehicle travelling quickly in the lane.

Please never drive fast in Church Lane – some higher vehicles don't offer much vision of smaller children – whatever you are late for, is it worth risking a child's safety?

The *good news* is that the WSCC team looking at improvements to reduce traffic and parking problems in the lane have come up with some proposals that should help traffic flow and create some parking. The proposals will not be public for a short while but action is beginning to happen. There will be consultation coming soon and we will keep you informed of any developments.

Ukulele Lessons

Our Ukulele lessons are going well and the children are showing fantastic talent already – today's rock stars had clearly been practising! Some more children have asked to join but we need the form and £15 by this Friday if you would like ukulele lessons for your child. I won't be able to accept any more students after this week so please return the attached form as soon as possible.
