

It is important that your grant is used effectively and based on school need. The <u>Education Inspection Framework</u> (Ofsted 2019 p64) makes clear there will be a focus on 'whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school'.

Under the <u>Quality of Education criteria</u> (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit <u>gov.uk</u> for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to <u>publish details</u> of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31<sup>st</sup> July 2020** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2020. To see an example of how to complete the table please click <u>HERE</u>.

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your

Key achievements to date:	Areas for further improvement and baseline evidence of need:
<ul> <li>Continued to aim for every KS2 children to represent the school, so far 64% children have represented the school at either inter competitions and/ or festivals in a number of sports (however, we had no events at the end of the spring term and in the summer term)</li> <li>78% children in KS2 attend after school clubs</li> <li>More staff have attended PE CPD this year</li> <li>To continue to employ a PE Specialist to develop PE, Physical Activity and Sport</li> <li>Continue to support teachers to improve the quality of PE teaching in the school</li> <li>We have retained our Platinum School Games Mark</li> </ul>	<ul> <li>Reapply and achieve Platinum School Games Mark</li> <li>Continue to develop physical activity across the whole school day and curriculum</li> <li>To develop parent/ pupil activity sessions throughout the year</li> <li>Achieve Learn to Lead – the leadership award for KS1</li> <li>Continue to broaden the sporting opportunities for the children</li> <li>Continue to support teachers to improve the quality of PE teaching in the school</li> <li>Look to increase the level of activity across the school day</li> <li>To develop physical activity and active learning as a key driver of all curriculum areas</li> </ul>

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? <b>N.B.</b> Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	100%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	70%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	35%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?	<del>Yes</del> /No
