

PE Overview: Summer 2021

Class	Physical Education Objectives
Buttercups (Reception/Year 1)	We will continue to work on the fundamental movement skills. These include investigating different ways of sending and receiving a ball, moving fluently with control and working to a beat
Poppy (Year 2)	Summer 1: Sussex Cricket are running striking & fielding/ cricket sessions with Poppy. We are linking a gymnastic/ dance set of lessons with our topic, Under the Sea. Summer 2: We will then continue to work on the children's fundamental movement skills. These include building on the work covered with regards to investigating different ways of successfully sending and receiving a ball
Willow (Years 3 and 4)	Summer 1: We are learning about net games, the skills and tactics required plus how to score/ umpire. Summer 2: We will be covering striking & fielding games and some athletics in preparation for our sports day at the end of the year
Oakwood (Years 5 and 6)	Summer 1: Sussex Cricket are running striking & fielding/ cricket sessions with Oakwood We are learning about net games, the skills and tactics required to be successful plus organising and umpiring these. Summer 2: We will continue to look at striking & fielding games with the children designing, playing and officiating these.

We also have the opportunity to compete in the Sussex School Games events.
