Everyone is a gift and everyone is gifted

Wednesday 16th September 2020

Dear Parents,

What a brilliant term we are having already! Despite the autumn sniffles, it's awesome seeing everyone in school and enjoying learning together. Thank you for following the guidance so brilliantly – if your child has a **continuous cough, high temperature or loss of taste/smell**, please keep them at home. Public Health advice is to isolate for 10 days and arrange a Covid-19 test.

If your child has a runny nose, sore throat or other symptom of a common cold, this is not a suspected case of Covid-19; please bring your child to school if they are well, but of course keep them home if they are poorly – but you won't need to isolate or test with these cold symptoms.

Celebration Certificates: Week 2

Today we celebrated the wonderful efforts and achievements of:

Buttercups: Alex and Heidi

Poppy: Henry and Teddy

Willow: Oscar and Tom

Oakwood: Laila

Well done, super stars!

Uniform sale – Friday 18th September

Clare Adley is kindly running a second hand uniform sale in the large playground this Friday 18th September after school. Tables will be spread out, please use the hand sanitiser provided and maintain 2m social distance – otherwise we hope you enjoy picking up some bargain spare uniform!

Would your child love to learn piano or keyboard?

Dear Parents, Guardians and Pupils of Twineham School
My name is Laura, a local piano tutor (based in Hove), and I'm delighted to offer in-school piano and keyboard lessons for pupils in Years 2–6. Lessons can be taught on a paired or individual basis, once a week during term time.

I use a wide variety of resources to help each pupil achieve their potential, whilst at the same time making lessons fun. I can also help prepare pupils for keyboard/piano exams (using an accredited syllabus), prepare them to perform in school assemblies and show how to remain focused when working towards musical goals (a very useful skill).

If you feel this would be something your child would enjoy, please get in touch with myself or Mr Reece to register interest. Lessons will begin after October half term but I will be accepting any interested pupils up to **Monday 19th October**. Lessons cost £8 per pupil in pairs and £14 for individuals, will be 20 minutes long and paid termly in advance. I'm happy to answer any further questions you may have.

I look forward to hearing from you very soon!

Kind regards, Laura Haywood BA(Hons) Music

Curriculum Overviews

Please see attached overviews for the learning in each class this term. These are also available on the school website.

New Clubs for KS2: Drama (Mondays) and Science (Thursdays)

We had to cancel a number of after school clubs due to insufficient numbers. However, we have enough interest in **KS2 Drama** so Billie can start Drama Club on **Mondays** from next week. This club will be made available on ParentPay tomorrow.

We enjoyed an exciting visit from Gooley Stuey at **Fizz Pop Science**, who ran a great science club for us last year. Stuart can run his brilliant **5-week club for Key Stage 2 on Thursdays** from next week. Please see information below – this will go live on ParentPay tomorrow. Places will be limited and full risk assessments have been agreed to ensure safety regarding Covid-19 prevention. We also hope to offer this to Key Stage 1 in the near future.

Fizz Pop Science:

FIZZ POP[®]

Experiment! Discover! Inspire!

School: Twineham Primary School

Day and Time: Thursdays 1500-1600

Dates: 24/9, 1/10, 8/10, 15/10, 22/10

5 Week Programme Cost: £38

Our After School Programmes are designed to inspire our children towards gaining an interest in the Sciences. Our workshops are a mixture of exciting demonstrations and thought provoking hands-on experiments and tasks.

'AIR-MAZING SCIENCE'

How amazing can the air around us be? Find out as we Fly, Spin and Float objects using the theories on AIRmazing Air! Levitating Balls, Giant Smoke Circles and Air Blasts in your face!

'FIZZ, POP, BUBBLE'

This session is all about the Fizz and Pop! We explore Bubbles - Catchable Bubbles, Giant Bubbles, Rainbow Bubbles and Smelly Bubbles. Plus make your own Bubbling Sweet to take home!

'LIQUID SCIENCE'

Water we going to do here? It's going to be a little wet that's for sure. From Tornadoes to Petrified Pepper!

'WHAT ON EARTH IS THAT?'

Let's find out What On Earth Is That? A mysterious powder that can drink a lot, paper that completely disappears and make your own liquid that thinks it's a solid?!

'FLAMING HOT SCIENCE'

Heat is the main theme of this fireball of a session! By popular demand we have a small EXPLOSION! Plus use your body temperature to make objects inflate and change colour.

FUN GRADUATION!

Hopefully we have opened your eyes to the world around us! You will be rewarded with a certificate and a special gift in this fun filled final session.

Terms and Conditions -Refunds can only be given for cancellations made seven days prior to programme commencing. Any cancellations not made within this period will be charged £5.00 administration fee. No reimbursements will be given for any child asked to leave the programme due to bad behaviour. Refunds can not be given for children missing sessions. Programmes may change without prior notice, however every effort is made to keep to workshops as those stated above.
