

Poppy Class: home learning activities

Twineham CofE School

Nurture Togetherness Resilience Creativity

Here are some *suggested* activities of things you can do with your child at home that are linked to the things we have been learning in class this term. We have also included some useful websites, some that the children are familiar with.

Creative learning

Suggested activities:

- Find some stones and paint them. Can you hide them in your local area for other people to find?
- Can you do a cave painting? You could draw one on some paper or mix up some mud and draw one outside!
- Make an indoor Stone Age house and role play being Stone Age people.
- Learn a new language
<https://www.bbc.co.uk/bitesize/subjects/zq6pyrd>
- Computing: purple mash (you will need to search for Twineham school to access the schools portal and use your login details)
- Home baking, weighing out ingredients, helping to make your snack, lunch or dinner.

Maths - Shape focus

Suggested activities:

- Go on a shape hunt outside and in your house. Record what 2d and 3d shapes you can find.
- Can you describe the properties of the shapes using the words, vertices, edges, surfaces.
- Make 2d or 3d shapes using playdoh. Can you build your playdoh shapes up to make a picture?
- Cut shapes into potatoes and create shape patterns with paint.
- Mymaths activities have been set and we will be checking them and leaving feedback.

Literacy - Reading focus

Suggested activities:

- Write a book review about a book you have recently read (See learning pack)
- Keep practising the song of sounds song.
- Can you read and spell all Tricky Trevor words from Stage 2 and Stage 3?
- Read a book to someone. You could phone or video call a relative and read to them.
- Listen to someone read a story.
- Find your favourite book at home, could you re-write parts of the story? I.e. make a different ending, change the characters, change the setting.
