# NEAR MISS IN THE LANE

We have had reports of a near miss in the lane due to cars travelling too quickly. We have reassured residents that we will work together to ensure that the lane stays safe.

***It is never worth risking the safety of children or adults to drive fast in the lane.***

Church Lane is narrow and unsafe for any fast driving, and consequences could be awful, just to save 10 seconds of time – please can we all commit to keep our speed down at all times. Thank you.

## Sponsored Reading Challenge

Well done for the amazing reading – please return payment to school – thank you to everyone for taking part.
