A message from Mrs Davy

This is the last newsletter of the academic year! We wish all our leavers lots of luck at their new schools. We are very blessed to have such a stunning school site with many different butterfly species. These amazing insects are vital pollinators, ensuring the reproduction of countless plants, from wildflowers to the fruits and vegetables on our plates. Sadly, these wonders are in decline but we can all help by planting native wildflowers and specific caterpillar food plants in your garden.

The Big Butterfly Count, launched on July 18th, invites us to record the different species, and every observation submitted helps scientists to understand their plight and target conservation efforts. Please consider taking part.

We wish you all a safe and restful Summer holidays and look forward to welcoming you back on September 4th.

Many thanks for your continued support

Worship Spot

It was truly fantastic that so many parents attended our Year 6 leavers' service. Our leavers read their memories and prayers so beautifully, and each child was given a bible -which we hope will support them through their life. 'I will be with you always and forever—until the very end of time' (Matthew 28:20)

FOTS

Thank you to wonderful FOTs team for organising a brilliant "Colour Run" last Friday (photos on our Facebook page). The money raised will be used to continue our Forest School provision next year.

Benji's Sponsored Mountain Climb

Benji was a year 6 student at Twineham and on the 26th of July he is going to be climbing Cadair Idris in Wales to raise money for some amazing charities! I hope you find these offers of benefit to children, parents, and staff at your school during the holiday period!

To me reading is a great adventure, I have loved it since I was very small and I would love everybody else to enjoy it as much as I do. You can escape, and you can travel, and you can laugh and you can cry. Every type of emotion which humans experience is in a book.

This Week's Celebrations...

On Thursdays, we celebrate children who have been doing some great learning, showing amazing behaviour for learning or living out our school values. We are now thinking about our value of creativity. Here are our latest celebrations :

Willow: Timmy-James for his writing & Reggie for his reading.

Oakwood: Matilda for her supersonic Cricket skills & Alfie for his independent attitude to learning.
