

Dear Head Teacher,

NEARS Big Sing

This is just to say huge congratulations to all pupils, teachers, head teachers and parents who took part in the Big Sing at Ardingly on Tuesday. I was able to attend the concert and was really impressed by what the children had learned during the day. The level of concentration and enjoyment of singing was really clear to observe and the theme of Joy was well chosen and came across well in the performance.

I was also impressed by the collaboration between schools which make such large scale events possible, so thanks once again to all of the NEARS schools for making this Big Sing happen.

Best wishes,

Ethan
