A message from Mrs Davy

Twineham is small but mighty as we have continued to take part in locality sporting events. The Year 6 children were an absolute pleasure to take to the NEARs locality tournament; they were friendly and welcoming to the extra players from St Mark's that joined our team and defended brilliantly. Well done everyone!

This week we say goodbye to Mrs Chessell, who has been at Twineham for the past 2 years, supporting our EHCP children as a 1:1 teaching assistant. We thank her for all her work and wish her luck with her next move.

We are looking forward to next half term and the fabulous fireworks on the 4th November. We hope you have a lovely half term break and look forward to seeing you on Tuesday 4th. Many thanks for your continued support.

School Clubs/Sports/Events

Twineham has always been a musical school and currently our numbers attending lessons are dwindling. James for Guitar have spaces to teach at Twineham school, please see below contact details.

The Potters Arms in Burgess Hill are hosting a free Halloween Kids Party this half-term. "With the cost of living being a challenge for many at the moment, we wanted to offer something fun and completely free for children in our community. The event will take place on Friday, October 31st from 4pm–6pm and will include: 🍏 Apple bobbing 🎃 Trick-or-treat hunt 🎵 Mini disco 🍰 A special kids' menu - with free jelly for every meal purchased!

It's a family-friendly afternoon designed to bring everyone together for some spooky fun, and fancy dress is encouraged - every little monster in costume gets a prize!" See attached poster for details.

Year 6

Just a quick reminder that secondary school choices need to be submitted by Friday 31st October.

Worship Spot

In collective worship, we have been thinking about how we can help each other to make good choices.

We have been learning about the temptation of Jesus Matthew 4 v1-11 when he went into the desert and was tempted.

"Remember that nothing is small in the eyes of God, do all that you do with love"

Reading isn't
important because
it helps to get you a
job. It's important
because it gives you
room to exist
beyond the reality
you're given. It is
how humans merge.
How minds
connect. Dreams.
Empathy.
Understanding.
Escape. Reading is
love in action.

Every child is a gift and every child is gifted

This Week's Celebrations...

On Thursdays, we celebrate children who have been doing some great learning, showing amazing behaviour for learning or living out our school values. We are now thinking about our value of creativity. Here are our latest celebrations :

Buttercups: Richard for being a kind member of Buttercups & Marianna for her Phonics & Writing.

Oakwood: Matilda for her excellent work in dance, Dominic for his impressive teamwork in class, Isla G for excellent skills development in maths & Theodore for persevering in maths (Even with a bad arm!)
